

Jeff Heard

Candidate for

Delegate to the National Convention

I am Jeff Heard and am running for the Local 32 Delegate to the National Convention position. I have been with AK Airlines as a Technician, in ANC, for twenty-four years. I currently serve as the L32 ASA Airline Representative (ALR). Before this, I served as a Pro-Standards Committee Member and a Shop Representative for approximately fifteen years.

The AMFA Constitution is amendable every four years and amendments are necessary for a healthy association. This process is no small undertaking. The five AMFA Locals, representing seven airlines will bring forth their Delegates, and those Delegates are tasked with representing the Membership as a whole.

I intend to faithfully serve and represent the Membership at the National Convention. I attended the National Convention in 2021 as an observer and know the responsibilities and requirements.

In Solidarity

Jeff Heard
