Local 32 members:

At the May 2017 GMM, the membership requested the Local 32 LEC to set up another round of Southwest Airlines Informational Picketing. We have received a permit for June 30<sup>th</sup> 2017 between 07:00 and 10:00 at Sky Harbor Airport in Phoenix Az. We are just **two** weeks away and your LEC is asking you to commit a small portion of your time on Friday the 30<sup>th</sup> to walk alongside your fellow Southwest Airlines members in a show of solidarity. If you are unable to make the picket, because of work responsibilities, we ask that you show support to your union brothers and sisters on the picket line by wearing your AMFA shirts where it is appropriate. We had a tremendous showing at our last event and we would like to show the Company, the public and most important our fellow union brothers and sisters that we are united as one and that four plus years is **WAY** too long.

**\*\*\*We ask that you wear black pants and your AMFA shirts.\*\*\***

We are beginning staging at 6:45 AM at the Picket location which is Terminal four, Level two, Southside, East End, if you exit door 28 we will be to your left. We will rotate people in if our numbers reach over 100 persons.

We will end the picket at 10:00 AM

Water and snacks will be provided

We ask that everyone stays 50ft from any entrance during the picket per our permit

Fraternally yours
