RE: April AMT Negotiation Session

Members of Local 32,

I want to update you on the next negotiation session that is within the next 2 weeks. The Company has agreed to hold the April 16th & 17th session in Phoenix. The Location of the session will be Phoenix Marriott Tempe at The Buttes (2000 Westcourt Way, Tempe, AZ 85282) 9am start time.

The Company allows for 2 observers from each Local. Local 32 would like to limit the number of observers from our Local to 5 each day. Those interested in attending the formal session please contact the Local Secretary Rui Leonardo at [secretarylocal32@gmail.com](mailto:secretarylocal32@gmail.com) and the top 10 members in seniority will be allowed to attend the 2 day session with the 1st 5 attending the 16th & the next 5 attending the 2nd day session. This is a short notice on this session but the Company just confirmed they were willing to go off site to Phoenix for this meeting.

We look forward to having some of our members attend this session to help understand how this process is accomplished.

Sincerely,

Mike Young
