

Aflac is different from major medical insurance. If you're sick or injured, Aflac pays cash benefits directly to you (unless otherwise assigned) to help address out-of-pocket medical costs, everyday expenses, or whatever you choose. More than 50 million people worldwide have chosen Aflac supplemental insurance plans to help provide the added comfort of being better prepared for what life may bring.

AMFA has made the following Aflac products available to you and your family:

- [Accident Advantage](#)
- [Cancer Protection Assurance](#)
