

Jory Buker

Candidate For

Delegate To the National Convention

My name is Jory Buker, and I am the current AMFA 32 Shop Rep for Alaska Airlines Juneau station. I have served faithfully as shop representative for many years. I am running for the position of Delegate to the National Convention and am looking for your support. I am excited to have the possible opportunity to vote on important decisions our Union is going to have. I will give my utmost dedication and responsibility if elected for this position.

I would like to further my experience with the Union and represent beyond my current and past roles. Even though I do not have the experience as some, I am very passionate about the future of our Union and especially the upward progression of our trade. I will strive to learn and fully understand the parliamentary process and procedures governing the Convention and feel that I am fully capable of doing so.

I truly believe our union is the best in the business and believe that because of the members having a personal investment in the betterment of our trade. We have some of the best people in the industry in our Union without a doubt. I would like to ask you for your vote for Delegate to The National Convention. Thank you for your time!

Fraternally,

Jory Buker
