

Hello Union members,

My name is Gary Evans, and I am running for Local 32 vice president. I am currently working for Alaska Airlines, on the line, in San Francisco. I started in aircraft maintenance in the Air Force. I have been an AMFA representative for 3 years and in San Francisco for 5 years and love what I do for AMFA and the membership. I am a dedicated member of this association and understand the value of working collaboratively to achieve the best possible outcome for all members. I hope to engage and encourage more members to be active in AMFA to preserve the benefit that we have earned. with open dialogue and discussion for all. It is my sincere desire to serve as the Local 32 vice President to work hard for all of us.

Thank you.
Gary Evans
