Alternate AMFA – Southwest Airlines ASAP ERC Representative Election Results

In February 2013 AMFA National called for nominations to fill the position of Alternate AMFA – Southwest Airlines (SWA) Aviation Safety Action Program (ASAP) Event Review Committee (ERC) Representative.

Southwest Airlines members of Locals 4, 11, 18, and 32 were allowed to submit names in nomination for this position. Following the close of the Willingness to Serve Form process of this election, there is only one candidate for this position: Dennis Ricks.

As there is only one candidate running unopposed for this position, an election is not required; therefore, Dennis Ricks will serve as the Alternate AMFA – SWA ASAP ERC Representative commencing on July 1, 2013.
